Average Social Distancing Index in Kansas, by County  
May 2 - 8, 2020

Source: Institute for Policy & Social Research, The University of Kansas;  

Social Distancing Index is an integer from 0-100 that represents the extent residents and visitors are practicing social distancing. “0” indicates no social distancing is observed in the community, while “100” indicates all residents are staying at home and no visitors are entering the county.
